Achieving excellence in service for delighting the customers. v. Strict portfolio management. vi. Emphasizing on quality rather than quantity.

6. Corporate Governance

That we deal with other people's money and we have to be a role model in management of custodial capital is made clear to everyone at Goodwill, from the members of the Board to entry level staff. The decisions at the company are taken after adequate and open deliberation by committees at different level depending on the decisions..

- The Board of directors meets regularly to formulate and review the strategies and policies, and monitor the performance.
- The Audit Committee, headed by a non-executive director, meets minimum every quarter to review the reports of the internal and external and external inspections and continually suggest measures to enhance compliance and control mechanisms.
- The Management Committee, chaired by the CEO, meets regularly to review performance and make business decisions.
- The Credit Committee, and the Finance committee, meets regularly to make business/operation decisions.

7. Declaration by CEO on the truthfulness of information

To the best of my knowledge and belief, I, The chief Executive Officer, declare that the information disclosed on this report are true reflection of the company's position and performance and I have not purposefully concealed any relevant data of information that in my assessment would adversely affect the investment decision of any depositor/investor.
